**Bath 6<sup>th</sup> June 2011** – Peter Quintana and the Partners of Oc-Eo Art, a fine art company specialising in contemporary Asian fine art, today announced a new association, with Regency Offices in Bath, where they will be exhibiting their collection of Fine Art from and inspired by Asia.

A reception and private view of the first exhibition will be held on Wednesday 15<sup>th</sup> June, from 6-9pm.

Launched in October 2006 at the Bath Spa Hotel by Peter Quintana, Oc-Eo Art has rapidly become a leading specialist in contemporary fine art from Asia, introducing work by both established and emerging artists.

Quintana said ‘As an internet gallery, we are always looking for opportunities to show our collection in the bricks and mortar world. This new association with Regency Offices gives us a great space in a prestigious location in the centre of Bath to mount a permanent exhibition that will be seen every day by the tenants and visitors that use Regency’s office space.’

Oc-Eo Art exhibit at art fairs and in private galleries periodically throughout the UK, have permanent exhibitions at Tamada Restaurant in London and The Link in Harrogate, and are currently in discussions with the Vietnamese Ambassador in London to have a permanent exhibition at the Embassy.
